

Douro Valley Tour

4th October 2013

PORTO / RÉGUA - BY TRAIN

RÉGUA / PORTO - BY BOAT

&

The Douro Region is the oldest demarcated wine region, having held the 'title' since 1756. Stretching along the River Douro Valley, a UNESCO world heritage site, the excellent wines produced here include the famous Port Wine. Let yourself be enchanted by the Douro landscape; the valleys, the winding river, the terraced vines, the pure air while you enjoy the typical Portuguese cuisine accompanied by wine produced in the region.
